To whom it may concern:

Incredible Edible Penticton is a non-profit society. We currently have a large community garden located on Hastings Avenue in Penticton. We were most fortunate to have Kathryn Alexander set up a website for our community garden. We were very pleased with Kathryn's positive attitude and knowledge when it came to building the web page. We were pleasantly surprised and very impressed with how Kathryn was able to capture the mission of our garden. She was open minded to our many questions and suggestions and made a number of valuable recommendations regarding the website.

We also asked Kathryn to look at our Facebook page, Incredible Edible Penticton and give us some suggestions and recommendations. We made some changes and added a few more categories and now have a Facebook page that flows much better and captures the essence of who we are, thanks to Kathryn.

We are very pleased with Kathryn's work and would not hesitate to recommend her. Should you have any questions you may contact us at ediblepenticton@gmail.com

Sincerely,
Jennene Gludovatz/ Secretary for IEP
