To whom it may concern,

Kathryn Alexander has worked for me throughout most of 2017, and has been a tremendous asset to Almost Fearless. Starting as one of our interns, she grew into a vital member of our staff who was asked to wear many hats throughout the year. Eventually Kathryn grew quite naturally into the position of social media manager, which she enthusiastically embraced.

During her time at Almost Fearless I found Kathryn to be one of the easiest employees I have worked with. She works extremely hard and has an amazing attitude, learning new tasks quickly and always open to new challenges that the job of social media manager would bring.

If you have any questions about Kathryn I can help you with, the easiest way to reach me is through email at [christine@almostfearless.com](mailto:christine@almostfearless.com). I am happy to talk more about Kathryn at any time.

Warm regards,

Christine Gilbert
